Parents and Guardians of GHS athletes and GMS athletes:

We are excited to announce the convenience of online athletic registration for both High School and Middle School athletics, through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user friendly way to register for athletic programs and allows for us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information on your child's individual FamilyID profile. Each student only needs one initial registration and then you **will** need to register online for **each season**, updating information as necessary.

Before registering:

For current athletes, their physical, concussion and special health information will be loaded AFTER they are registered by Ms. Jenkins RN. IF they are not registered, they will not be allowed to start their season.

For freshmen and /or new athletes, please make sure there is a copy of their most current physical to load into the child's profile or forward it to Ms. Jenkins @ GHS.

Important information to have:

Insurance information.

A copy of the most **current** physical.

Current Emergency Action Plans for Epi Pens, inhalers or diabetic medication or seizure action plan.

A **Parent or Guardian** is responsible for completing the registration form.

Click on the link provided. [Register Here](#)

Click on the green **Register Now** button.

Click select or create a participant.

Create a profile for your child. (Click **Log In** if you already have a FamilyID account).

You will receive an email to activate the account (be sure to check your spam filter).

Click the link in the activation email, this will log you into your child's account.

Once in the registration form, complete all required (red asterisk) information fields.

Review all information carefully.

Hit the **Save and Continue** button. Review, your information carefully and then click the green **Submit** button. Please be sure to upload the most current medical information. If you like, it can be forwarded to the school your child will be attending, attention school nurse.

It is critical that this be done PRIOR to the first day of preseason. The information can be updated at any time by logging into your FamilyID account. To view a completed registration, click on the **Registration** tab in the blue bar. If you need technical support, please contact FamilyID support@familyid.com or call 1- 888-800-8853 x1

Regards,

Rick Acquilano AD

Meg Jenkins RN
