Parents/Guardians of Gilford School District age children:

The Gilford Youth Center is excited to announce that our **Gilford Got Lunch** program will continue throughout the school year, providing children with lunches during weekend and holiday breaks. Although our target is the population that qualifies for free or reduced price lunches during the school year, it is NOT a requirement for participation. If you need the help this school year, this program is designed for you. ***We will require a new registration form for you to participate.***

We will provide food for your child(ren) on a weekly schedule. Food will be packaged in school-style bags and given to your child at the end of the week. The school nurses will be managing the administration and distribution of food.

To register your child(ren), please visit www.gilfordgotlunch.com and fill out the online registration form. Your information will be kept confidential, and only shared with the school nurses to ensure your child is receiving food each week.

Questions? Contact us at 524-6978, or contact your school nurse.
