

**GILFORD SCHOOL DISTRICT
MEDICATION RELEASE**

In accordance with state and local school board ruling, when it is found necessary to place a child on medication during the school day, the local school nurse must have the following information.

Name of Student _____ DOB _____

Date _____ YOG _____

Physician's Name _____

We, the parent, authorize the school to assist our child in taking oral medication. We agree that we will not hold liable any member of the school staff or an individual of official capacity who is directed by us (the parents) and the School Administrator to assist our child in taking said oral medication.

The medication will be delivered to the School Nurse, Principal, and/or his designee by a parent /guardian. **The medication will be delivered in an original container properly labeled with the student's name, physician's name, and date of original prescription, name, dosage of medication and directions for taking.**

I understand that communication between the physician and the school health office is necessary for the purposes of sharing information regarding dosage, administration and effectiveness of the prescribed medication and give consent for such communication to occur as needed. **Your PCP will be contacted for an appropriate Emergency Action Plan.**
