

August 2018

Dear Fifth Grade Students and Families,

Welcome to the middle school! We hope you are having a wonderful summer and are looking forward to the upcoming school year. A lot of new exciting activities will be offered, and we think you'll enjoy the changes.

Remember to bring in your required summer reading paper to your reading teacher the first week of school. The assignment can be found on the GMS website.

GMS provides all students with an agenda book which you are expected to use daily. Each day you come to school, we ask that you come prepared with two sharpened pencils (with erasers) and an independent reading book. A list of additional supplies follows:
