

August 2018

Dear Sixth Grade Students and Families,

The Sixth Grade Team is very excited about the upcoming year, and we hope you are too!

Sixth grade is a very memorable year. Your teachers are here to help you and ensure your success while having fun.

Being successful is supported by being organized. Different students find success organizing in different ways. Some like to use an accordion folder with a spot for each subject, others prefer one traditional binder and many students are successful with a few smaller binders to reduce the number of papers in one place. Sixth grade can be an excellent time to experiment and discover what works for you!

Having your school supplies with you is another way to stay organized. Listed below are supplies that are needed to start the school year.

Suggested List of Supplies

- Binder(s) or accordion folder or folders for organization of all papers
- 1 inch binder for Social Studies
- Several packages of pencils and erasers
- Pens for writing and correcting
- Highlighter and a black sharpie
- Colored pencils
- Mouse to use with chromebook

In addition to these supplies, on the first day of school, please remember to bring a silent reading book, a snack and lunch or money to purchase. The summer reading assignment can be found on google classroom. The code to join the class is **yn6b1o8**. If you have any questions, please email one of your teachers.

Have a wonderful rest of the summer and we will see you soon!

Sincerely,

Mr. John Zumbach – Science
Mrs. Kate Fox – Math

Mrs. Alyson Cahoon – Social Studies
Mrs. Kristin Walsh – Language Arts
