

July 2018

Dear Seventh Grade Students and Families,

Welcome to the seventh grade! After a relaxing vacation, we are looking forward to the upcoming year and hearing about some of the things you did during your summer vacation.

Starting a new school year is like starting a new job. You may be wondering what will be expected of you in this new situation. Seventh graders often notice an increase in the workload, but teachers are always available for extra help as well. We know that having the right supplies and tools can help you to be more successful. We request that you purchase the following list of supplies to help you prepare for your upcoming seventh grade journey:
