

SUMMER CONSTRUCTION CAMP

at Huot Career and Technical Center

Do you want to build it, fix it and learn how things work?

- You will try your hand at carpentry, plumbing, landscaping and more.
- Many hands-on projects and field trips to local businesses.
- Opportunity to learn in a fun and supportive environment!

July 10th-14th, 2017
8am-2pm daily

Open to students in Grades 7-8
Cost \$25 for the week

Great opportunity for boys *and girls* to learn valuable skills and get a jumpstart on an awesome career!

Emergency Contact: _____

Phone: _____

I give permission for my son/daughter to participate in all aspects of the HTC Summer Construction Camp including the supervised use of hand-tools. I understand that some activities will take place off-campus and include bus travel. I give permission for HTC staff to contact emergency medical services as required if my son/daughter is injured. I understand that if my son/daughter behaves in a manner that impedes the learning of others or creates an unsafe situation they may be asked to leave the camp. We also understand that student images/photos may be used in press release and promotion related to the camp.
