

We would like to introduce you to an updated FAMILY MOBILE APP that has become available from MMS, our student information system! It's a great opportunity to keep guardians up to date on student academic progress, behavior, and attendance with CR Family app! It's on your phone, anytime, anywhere! It's similar to the parent portal but is done on your smart phone.

Take three minutes to watch the video to learn how to download and set up your account at

\*\* Please note this has changed from GSDNH in the past

\*\* Your login for the APP will be your e-mail address that is in MMS and the password of your Parent Portal Account

\*\* You will need to have a Parent Portal account set up prior to using the APP

\*\* It shows only the subject grades, not any skills grades
