Edline has been replaced by our MMS Parent Portal!
Use the attached Biographical Sheet to set up your account!

Gilford School District is upgrading our parent interface. When you have completed the process below, you will have access to your student's grades, attendance, biographical information and discipline, if applicable. This will be available once school has started on August 28th.

To set up your account, go to this link - <http://parent.sau73.org>

Click on the **Create Account** option. You will see the screen shown below. Refer to your child's BIOGRAPHICAL STUDENT RECORD LISTING for the relevant information of your First Name, Last Name and Student ID Number. Your Name will need to be entered EXACTLY as it appears on the Biographical sheet. Please verify that your e-mail address is correct on the biographical so that you can set up your account completely. You will create your own Parent Login Name.

Once you have done these steps, and choose Create Account, you will be able to view your child's information.
